Dear Tommy:

STAT

Bill Jackson has turned over to me your letter in regard to [redacted] From what you say, I believe he is the type of young man who could be of use to us. I would, therefore, suggest that the next time he is in Washington he call me ([redacted]) so that I can have a talk with him and find out a little more about his future plans.

ST

It is a long time since I have seen you, and although you are unquestionably a busy man I hope that if you are in Washington at any time you will find an opportunity to give me a call.

Sincerely,
